

## Welcome to the Ivymount PTA

Dear Ivymount Families:

On behalf of the Parent Teacher Association (PTA), we would like to take this opportunity to welcome each of you and your families back to the Ivymount School. For those of you who are new to our school, we warmly welcome you.

As a parent of an Ivymount student, you are automatically a member of our Parent Teacher Association. The PTA strives to create a sense of community for students and parents as well as recognize our amazing Ivymount staff throughout the school year.

The PTA will be meeting approximately six times this year and we welcome new and returning members to attend meetings. Please watch for meeting announcements in Ivy Notes or on the PTA Website at [http://www.ivymount.org/Resources/p\\_t\\_a](http://www.ivymount.org/Resources/p_t_a). If you cannot attend meetings, you can still help out the PTA by volunteering for PTA sponsored events, signing up to be a room parent for your child's class and participating during teacher appreciation week.

There are no required PTA dues, as such we rely on donations by our parents to help fund a significant portion of our funding needs. All levels of contributions are welcome and all parent support is very much appreciated

Ivymount PTA funds are used to support various activities during the school year such, as family activities like the St. Patrick's Day Dance and Movie Night. The PTA also supports the Ivymount staff by providing refreshments for monthly all staff meetings and recognizing staff in various ways during teacher appreciation week.

Please feel free to reach out to Cindy Gottfried with any questions you may have at [ckgottfried@gmail.com](mailto:ckgottfried@gmail.com).

Thank you for your support,  
The Ivymount PTA
